

CURRICULUM VITAE

Name: G. Kristin Rosendal (Ms)

Place of work: Fridtjof Nansen Institute, Box 326, 1326 Lysaker

Tlf: (+47) 67 11 19 28 / Fax: (+47) 67 11 19 10

E-mail: Kristin.Rosendal@fni.no

Civilian state: Married, two children (born: 1995 and 2000)

ACADEMIC BACKGROUND

- 2007-: Full professor competence.
- 1999-: Dr. Polit., University of Oslo and Senior Research Fellow and programme director at the Fridtjof Nansen Institute (FNI).
- 1997-00 & 2001-03: Programme director, Global Environmental Issues, FNI.
- 1996-97: Research fellow at Centre for Environment and Development (SUM), University of Oslo.
- 1994-98: Doctoral student (PhD) at FNI.
- 1992-93: Research mission at the Norwegian Ministry of Environment.
- 1992-94: Research fellow (Forsker III) at FNI.
- 1989-92: Researcher (Vit. assistent) at FNI.
- 1987-89: Cand. Polit. in political science, University of Oslo. Scholarship (Master student) at FNI.
- 1985-86: Diploma of Advanced European Studies, Administration, College of Europe, Bruges, Belgium (Scholarship from Belgium).
- 1982-85: Cand. Mag., Faculty of Social Science, University of Oslo (political science; public law and sociology).

ACADEMIC/RESEARCH WORK

Selected publications:

- Rosendal, G. Kristin and Peter Johan Schei, 'How May REDD+ Affect the Practical, Legal and Institutional Framework for 'Payment for Ecosystem Services' in Costa Rica?' *Ecosystem Services*, Available online 20.05.2014, DOI 10.1016/j.ecoser.2014.04.009.

Recent project development and leadership:

- Designing Knowledge-Based Management Systems for Environmental Governance in Norway
- Payments for Ecosystem Services in Latin America
- Strategies and Regulations Pertaining to Access to and Legal Protection of Aquatic Genetic Resources
- Biotechnology in Agriculture and Aquaculture – Effects of Intellectual Property Rights in the Food Production Chain
- Norwegian Agriculture and Fisheries Policies Between International Regimes on Trade and the Environment

Selected professional and consultancy work:

- Member of Resource Group, responsible for producing the report: Sprøytemiddelresistente genmodifiserte planter og berekraft, Report 2013: *Bioteknologinemnda*.
- 2012: Nominated to IPBES expert panel by the Norwegian Government.
- Member of WG for Norwegian Biotechnology Advisory Board: GM Risk Assessment, 2012.
- Referee for various international journals, among others *Environmental Science and Policy*; *International Environmental Agreements*; *Global Environmental Politics*.
- Member of 'Miljø-21, Nymiljø' Working Group, 2013; 'Working Group on Biotec Norway 2020'.
- Member of PhD defence committees (three occasions) and Master thesis evaluation cmts (several).
- Special session on *Stimulating innovation in aquaculture genetic resources at the international conference*, Aquaculture America 2012 in Las Vegas, Nevada, USA, February 29 – March 2, 2012.
- Scientific Panel organised by G. Kristin Rosendal at International Studies Association (ISA), 48th Annual Convention, Chicago. February 28 - March 3, 2007: "Regime interaction and biodiversity politics - Bridging the tension between legitimacy and effectiveness".

- Member of Organising Committee for the fifth UNEP / Norway Conference: Ecosystems and People - Biodiversity for Development. Trondheim, 29 October - 2 November 2007.
- Organising the Symposium: “*Implementation of Multilateral Environmental Agreements: Balancing equity and effectiveness*” at the 1st Open Science Conference by DIVERSITAS in Oaxaca, Mexico, 9-12 November 2005. Paper: “International patent law meets access and benefit sharing regulations: Prospects for implementation?”
- Member of National Committee on Global Change, 2005-2009. Organised by the Research Council of Norway (NFR).
- Member of the Working Group on Biotech Norway 2020; discussing scenarios and recommendations for Norway’s choices regarding biotechnology research and development. Autumn 2004. Organised by the Research Council of Norway (NFR).
- Moderator for the panel debate on “Biotechnology - rights and possibilities”, at the Norway / UN Conference on Technology Transfer and Capacity Building, June, 2003, Trondheim, Norway.
- To the participants of the European Platform for Biodiversity Research Strategy (EPBRS). Meeting held under the Greek presidency of the EU. Paper commenting on the ‘Informal discussion paper: Biodiversity research issues of priority for Europe at the start of the 21st Century’, Greece, 23.05.03.
- Member of Steering Committee for the Research Programme on Biological Diversity; Research Council of Norway (NFR), 2003-2008.
- Moderator for the session on Access to international vaccines and essential drugs; Research Council of Norway (NFR) Conference on “Health, Population and Education”, 09.01.03.
- Member of Steering Committee for the Research Programme on globalisation and marginalisation; Research Council of Norway (NFR), 2002-2008.
- Editing and co-writing background report for the Research Council of Norway (NFR) on “Research questions raised by ‘globalisation’ for the Norwegian Ministry of Environment”.
- Member of Norwegian delegation to 12th meeting in the Conference of the Parties (COP12) to the Convention on Trade in Endangered Species, Santiago, November 2002.
- Member of Norwegian delegation to 6th meeting in the Conference of the Parties (COP6) to the Convention on Biological Diversity, den Hague, 13-19.4. 2002.
- Member of reference group and discussant on “Workshop on bioprospecting: From plants in the South to medicines in the North”, Centre for Environment and Development (SUM), University of Oslo, 1999.
- “Contribution to the Knowledge and Sustainable Use of Biodiversity in Costa Rica”, Workshop and Exchange Meeting Norwegian Decision-Makers (INBio - SINAC - NORAD), October 1998.
- Associate Editor to *Biotechnology Annual Review*, Elsevier Science B.V., the Netherlands, 1994-.
- Consultant to UNEP’s *Global Environment Outlook (GEO-1)*, Oxford University Press (1996).
- Board member /deputy board director of the Norwegian Rainforest Foundation: 1996-2001.
